

Bluefins March on Winning Gemini Trophy

After a shaky start to the Gala with electronics issues.

All the volunteers rose to the challenge, the Gala was run manually with massive effort from all involved. A Big thanks to all who rolled up their sleeves to allow this Gala to work.

Despite some heroic efforts we couldn't quite match Alton during the early stages.

Alton	402
Godalming	251

**34 Personal Bests
3 clubs records**

Were achieved during this gritty performance.

The atmosphere at the end, as the team realised they had achieved first place was electric.

Well done to all swimmers
